44 THIS INTERLOCAL COOPERATION AGREEMENT (the "Agreement"), made this day of December, 2013, by and between Miami-Dade County, Florida, a political subdivision of the State of Florida (the "County"), the City of Opa-Locka, Florida, a political subdivision of the State of Florida (the "City") and the Opa-Locka Community Redevelopment Agency, or its successor, a public body corporate and politic (the "Agency").

WHEREAS, the Mayor and City Commission of the City of Opa-Locka (the "City") adopted Resolution No. 10-8043 on April 14, 2010, providing a Finding of Necessity declaring that a blighted area, defined in Section 163.340, Florida Statutes, exists within the City's boundaries, and;

WHEREAS, the Mayor and City Council further declared in Resolution No. 10-8043 that the rehabilitation, conservation, redevelopment, or a combination thereof, of such area is necessary in the interest of the public health, safety, morals, or welfare of the residents of the City of Opa-Locka; and

WHEREAS, on October 1, 2013 the Board of County Commissioners of Miami-Dade County, Florida (the "Board"), which is the governing body, adopted Resolution R-795-13 declaring a certain geographic area of the County known as proposed Opa-Locka Community Redevelopment Area generally bounded on the north by NW 151<sup>st</sup> Street, on the west by the Opa-Locka Executive Airport (Douglass Road), on the south by the Tri-Rail corridor, and on the east by a constructed stormwater lake (City Limits), such area being more particularly described in the approved Opa-Locka Community Redevelopment Plan and incorporated herein by this reference (the "Opa-Locka Community Redevelopment Area" or "Redevelopment Area"), to be a slum or blighted area, declared the rehabilitation, conservation or redevelopment, or combination thereof to be necessary in the interest of the public health, safety, morals or welfare of the residents of the Redevelopment Area and the County, and found the need for the creation of a community redevelopment agency; and

## II. Miami-Dade County or Other Taxing Authority Representation

Pursuant to section 163.356(2) of the Florida Statutes, one or more members of the Board may be appointed to serve on the Agency's Board of Commissioners and said County Commissioner shall be vested with the same rights, duties and obligations as any other Agency commissioner. Said membership on the Agency's Board of Commissioners shall be considered an additional duty of office as prescribed by section 163.356(2) of the Florida Statutes.

### III. Implementation of the Plan

A. The redevelopment powers listed in Section I herein may be exercised only with respect to the Redevelopment Area and only with respect to the Plan as approved by the Board, together with any supplements or amendments to the Plan, provided that any amendments and supplements to the Plan must also be approved by the Board. The City and the Agency hereby expressly agree that the Plan as approved by the Board pursuant to Resolution R-795-13 is for a twenty (20) year period. The City and the Agency agree that six (6) months prior to the expiration of the twenty (20) year term, they shall prepare, adopt and bring forward to the Board a supplement outlining the accomplishments of the Agency and the proposed projects for the second phase of redevelopment in the Area. If the Board does not approve the supplement, this Agreement shall be deemed terminated thirty (30) days after such Board action, upon which time the Agency and the City shall no longer have the right to exercise the redevelopment powers delegated in this Agreement. Conversely, if the Board approves the supplement for the second phase of redevelopment and the corresponding amendment to this Agreement, the Agency and the City, as the case may be, may continue to exercise the powers conferred by the Board to such entity pursuant to this Agreement, as amended, and the amended Plan if applicable.

B. No more than twenty percent (20%) of the tax increment funds deposited annually into the Trust Fund annually shall be used for total administrative expenses allowable under Section 163.387(6)(a), Florida Statutes (including indirect and overhead expenses which may not exceed six percent (6%) of such contemplated to be spent under the Plan). All expense items chargeable to the twenty (20%) administrative cap shall be shown as individual line items in the annual budget prepared by the Agency and submitted to the Board. This 20% cap shall take effect in the 7<sup>TH</sup> year of TIF funding. For the first seven years, administrative expenses shall not exceed \$200,000, the City may front these costs to the CRA and may be reimbursed. Any administrative expenses over the \$200,000, or any other expenses incurred by the agency shall not be reimbursed to the City. The County shall charge, and the Agency shall pay to the County, no later than March 31, an annual administrative fee ("County Administrative Fee"). The fee shall be based on a percentage of the County's payment to the Agency and shall be determined annually by the County. This County Administrative Fee shall not exceed 1.5% of the County's payment to the Agency. The County Administrative Fee shall not be included in the (20%) limit on administrative expenses defined in this section.

C. The Agency shall ensure that the staff of the Agency shall be racially and ethnically diverse, in accordance with applicable law.

### IV. City/County Coordination

A. The County Mayor or the County Mayor's designee shall designate a Redevelopment Area Coordinator (the "Redevelopment Area Coordinator"). The Redevelopment Area Coordinator shall serve as the County's liaison to the Agency for the Redevelopment Area. The Redevelopment Area Coordinator shall carry out the day-to-day County responsibilities for the Redevelopment Area and shall be the designated person to receive all data and reports pertaining to the Plan. Additionally the Agency shall deliver copies of all CRA agendas and agenda items to the Redevelopment Area Coordinator prior to each CRA meeting.

B. The City either directly or through the Agency, shall be responsible for implementing and conforming to the Plan, including developing and implementing proposals for indebtedness and bond financing, acquisition, disposition and relocation activities, coordination and implementation of the design and construction of public improvements necessary to support the redevelopment of the Redevelopment Area, and such other projects and activities as are contemplated by the Plan. The Agency shall deliver copies of all accepted proposals for the Redevelopment Area to the Redevelopment Area Coordinator.

C. All proposals related to amendments to the Plan and proposals for indebtedness and bond financing shall be subject to review and approval by the Board. The Redevelopment Area Coordinator shall submit all proposals related to amendments to the Plan and proposals for indebtedness and bond financing to the County for review and recommendation and the Mayor or the Mayor's designee shall submit said recommendation to the Board for its final approval. The Redevelopment Area Coordinator shall review all proposals prior to review by the County and the Board.

D. The annual budget and progress reports shall be submitted to the County in a format approved by the County. The annual budget for the Agency and the Redevelopment Area shall be subject to review and approval by the Board. The annual budget shall be submitted to the County no later than October 30<sup>th</sup> of each fiscal year. With the exception of the debt service payment on current bond obligations financed by tax increment revenues, no funds on deposit in the Fund may be expended by the Agency until the annual budget has been approved by the Board. At the request of the County, the Agency shall submit additional progress reports on the Plan and Redevelopment Area activities.

E. Once the Board approves and adopts any amendments and modifications to the Plan, such amendments and modifications shall become a part of the Plan and the powers delegated to the Agency pursuant to this Agreement shall be exercisable with respect to such amendments and modifications.

## V. Land Disposition

Any disposition of land within the Redevelopment Area by the Agency shall be accomplished in accordance with applicable provisions of federal, State and local laws, the Plan and this Agreement pursuant to the Act.

## VI. Other Redevelopment Area Activities

A. The City either directly or through the Agency, shall be responsible for the administration and funding of all relocation activities. Six (6) months prior to the

commencement of redevelopment activities, which may result in the displacement of persons, the Agency shall establish residential relocation procedures for the relocation of such persons (the "Local Relocation Procedures") and shall submit such Local Relocation Procedures to the Board for review and approval. In addition to any applicable federal, State or local law, the Local Relocation Procedures shall apply in all relocation cases within the Redevelopment Area; provided, however, if federal funds are received by the Agency for the project which requires residential relocation, the Agency shall follow the relocation procedures set forth in the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, 42 United States Code, Chapter 61, Section 4601, et seq. The Agency may contract with County agencies to assist in residential relocation.

B. The City either directly or through the Agency, shall cause an independent audit of the Fund each fiscal year by an independent Certified Public Accountant or Accounting firm in compliance with section 163.387(8) of the Florida Statutes. A report of such audit shall be prepared by CPA or firm. Such report shall describe the amount and source of deposits into, and the amount and purpose of withdrawals from, the trust fund during such fiscal year and the amount of principal and interest paid during such year on any indebtedness to which increment revenues are pledged and the remaining amount of such indebtedness. The Agency shall provide by registered mail a copy of the report to the Board.

C. In compliance with section 163.356 of the Florida Statutes, the Agency shall submit to the Board, on or before March 31 of each year, a report of activities for the preceding fiscal year, which report shall include a complete financial statement setting forth its assets, liabilities, income, and operating expenses as of the end of the fiscal year. At the time of filing the report, the agency shall publish in a newspaper of general circulation in the community a notice to the effect that such report has been filed with the County and that the report is available for inspection during business hours in the office of the Clerk of the Board and in the office of the Agency.

D. All redevelopment activities conducted with respect to the Redevelopment Area shall be in conformance with the Plan as the same may be amended. Any amendments to the Plan as required by Section 163.361, Florida Statutes, must have prior approval of the Board before the Agency may implement the changes contemplated by the amendment. If approved, however, the Agency may implement the amendments thereto.

E. The Agency shall include language in any loan agreement, grant agreement or other agreements or contracts entered into between the Agency and business involved in the redevelopment effort of the Redevelopment Area which states that, as a condition to the business' receipt of monies or incentives from the Agency, any new jobs created as a result of the redevelopment shall be awarded so that such group of employees is a racially and ethnically-diverse group, in accordance with applicable law.

## VII. Project Financing

A. The City, either directly or through the Agency, shall establish and maintain the Fund, as required by applicable law.

B. The City, either directly or through the Agency, shall develop and promulgate rules, regulations and criteria whereby the Fund may be promptly and effectively administered, including the establishment and the maintenance of books and records and adoption of procedures whereby the Agency may expeditiously and without undue delay, utilize such funds in accordance with the Board approved budget for the Redevelopment Area.

C. The City, either directly or through the Agency, shall encourage the participation of and utilize small and minority businesses, specifically with respect to bond counsel, underwriters' counsel and underwriting services, in the development of the Redevelopment Area.

D. The City, either directly or through the Agency, may sell bonds and execute notes and other forms of indebtedness, as well as collateral documents, to finance capital improvements deemed necessary for the Redevelopment Area; however, County approval as to amount, duration and purpose of such bonds, notes or other indebtedness, including advances pledging or obligating tax increment revenues, must be obtained prior to issuance of any such bond, note or other form of indebtedness including advances pledging or obligating tax increment revenues. The County's obligation to annually appropriate to the Fund shall continue until all loans, advances and indebtedness, if any, and interest thereon, of the Agency incurred as a result of redevelopment in the Redevelopment Area, have been paid, or for as long as required by applicable law, whichever is later. In no year shall the County's obligation to the Fund exceed the amount of that year's tax increment as determined pursuant to Ordinance No. 11-52. On the last day of the fiscal year of the Agency, any money which remains in the Fund after payment of expenses pursuant to Section 163.387(6), Florida Statutes, for such year shall be: (1) returned to each taxing authority which paid the increment in the proportion that the amount of the payment of such taxing authority bears to the total amount paid into the Fund by all taxing authorities within the Redevelopment Area for the year; (2) used to reduce the amount of any indebtedness to which increment revenues are pledged; (3) deposited into an escrow account for the purpose of later reducing any indebtedness to which increment revenues are pledged; or (4) appropriated to a specific redevelopment project pursuant to the approved Plan which project will be completed within three (3) years from the date of such appropriation.

### VIII. Citizen Participation

A. To carry out the citizen participation process, the Agency shall utilize community groups and seek community involvement and consider citizen input in the development of Redevelopment Area activities.

### IX. Opa-Locka Community Redevelopment Agency Board

A. The Community Redevelopment Agency Board shall consist of the City Commission Board, plus two (2) voting seats assigned from the general public. The two (2) general public seats shall be appointed by the County Commission. One nomination shall come from each County Commissioner whose district is within the CRA. Additionally, the Governing Body may appoint one member to the Community Redevelopment Agency Board.

### -X. Project Management, Administration and Coordination

A. The City/and or the Agency, shall consider any reasonable request of the County with respect to implementing any plan of action related to the Plan. The City/and or the Agency shall develop implementation schedules and timetables for all significant Redevelopment Area activities as determined by the City/and or the Agency, copies of which shall be delivered to the Redevelopment Area Coordinator beginning one year from the implementation of this Agreement. The City/and or the Agency shall also deliver additional interim reports to the County upon request.

(1) The Redevelopment Area Coordinator shall receive from the City/and or the Agency advance notice of all public meetings related to development of projects pursuant to this Agreement and on a regular basis, information regarding the progress of all such development through the design and construction of such projects.

(2) During construction, the County shall have the right to attend all such public meetings and inspect the projects being developed at all reasonable times subject to reasonable restrictions imposed by the contractor.

(3) The City/and or the Agency shall consult regularly with the Redevelopment Area Coordinator in order to keep the County reasonably informed throughout the duration of the planning, design and construction of such redevelopment projects. The City either directly or through the Agency shall be required to have an outside independent audit on an annual basis to monitor and investigate compliance with the terms of this Agreement. The right of the auditor to investigate, monitor, inspect, copy, review, verify and check operations and records of the Agency shall include, but not be limited to, all of its employees, consultants, agents or authorized contractors and subcontractors, as well as, all administrative and operational facilities used by the Agency and the County in connection with all matters arising under this Agreement. Records include, but are not limited to, construction, financial, correspondence, instructions, memoranda, bids and contract documents, as well as all other records pertaining to the planning, development and construction of projects pursuant to this Agreement. Any rights that the County has under this provision shall not be the basis for any liability to accrue to the County from the Agency or third parties for such monitoring or investigation or for the failure to have conducted such monitoring or investigation.

A. As part of this Agreement the City/and or the Agency shall follow applicable federal, State and County laws and regulations concerning affirmative action and race/ethnic/gender conscious concerns all in accordance with applicable law.

## XII. Indemnification and other

A. The City and Agency shall indemnify and hold harmless the County and its officers, employees, agents and instrumentalities from any and all liability, losses or damages, including attorneys' fees and costs of defense, which the County or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this Agreement by the City and Agency or its employees, agents, servants, partners principals or subcontractors. The City and Agency shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind or nature in the name of the County, where applicable, including appellate proceedings, and shall pay all costs, judgments,

and attorney's fees which may be issued thereon. Provided, however, this indemnification shall only be to the extent and within the limitations of Section 768.28 Fla Stat., subject to the provisions of that Statute whereby the City and Agency shall not be held liable to pay a personal injury or property damage claim or judgment by anyone person which exceeds the sum of \$100,000, or any claim or judgment or portions thereof, which, when totaled with all other claims or judgment pay by the City and Agency arising out of the same incident or occurrence, exceed the sum of \$200,000 from any and all personal injury or property damage claims, liabilities, losses or causes of action which may arise as a result of the negligence of the City and Agency.

B. Third Party Beneficiaries. None of the parties intend to directly or substantially benefit any third party by this Agreement. Therefore, the parties agree that there are no third party beneficiaries to this Agreement and that no third party shall be entitled to assert a claim against either of them based upon this Agreement.

Severance: Should any clause or provision of this Agreement be determined to be illegal, invalid or unenforceable under any present or future law by final judgment of a court of competent jurisdiction, the remainder of this Agreement will not be affected thereby. It is the intention of the parties that if any such provision is held to be illegal, invalid or unenforceable, there will be added in lieu thereof a legal, valid and enforceable provision that is as similar as possible in terms to the illegal invalid or unenforceable provision, which is agreed to by all parties.

F. Waiver: No express or implied consent or waiver by a party to or of any breach or dealt by the other party in the performance by such other party of its obligations under this Agreement will be deemed or construed to be a consent or waiver to or of any other breach or dealt in the performance by such other party of the same or any other obligations of such other party hereunder. Failure by a party to complain of any act or failure to act of the other party or to declare the other party in default, irrespective of how long such failure continues will not constitute a waiver by such party of its rights hereunder.
