Before applying for a Temporary Certificate of Completion (TCC) or Occupancy (TCO) be sure the following steps are complied with:

1. Complete the TCC or TCO application including the notarized signatures of the qualifying agent and the power owner.
2. Provide the building permit number to the building permit representative who will verify that trade permits have been obtained and will indicate those categories that have not been finalized and the completion holds that have not been released. Trade permits must be obtained for the application to be accepted.
3. The completed original TCC or TCO application must be at the jobsite for the inspectors to sign. Request the required pending inspections by calling 305-953-2868 or by email at [inspections@opalockafl.gov](mailto:inspections@opalockafl.gov). To request an inspection you need your permit number; all requests must be done **before 3:00 p.m.** the day before inspection is needed.
4. Obtain release final or temporary of all completion holds for residential TCC or TCO. For commercial buildings, Fire Department completion holds must have final or temporary release.
5. Once all inspections are finalized or approved for TCC or TCO and completions holds have been resolved, submit the TCC/TCO application form to the Building Department.
6. For Florida Building Code (FBC) permits, a TCC/TCO application remains valid as long as the permit is active. Prior to the expiration date, final inspections and a permanent Certificate of Occupancy or Certificate of Completion must be obtained. If finals cannot be obtained prior to the expiration, you may apply for an extension to the TCC/TCO. Please follow the above referenced instructions.
7. A TCO/TCC may be revoked if any action by the contractor, owner or tenant created any code violation affecting the proper occupancy of the area.
8. Any TCO/TCC that expires without renewal has been revoked and can result in a notice of violation, civil violation and/or disconnect of utility services.

**IMPORTANT:** Application must be executed, and records verified by the City of Opa-locka, BLDG Department before signed by inspector. See below.
