

## **CITY OF OPA-LOCKA**

# **ANNUAL CHLORINE DISINFECTION OF THE WATER SYSTEM**

## **October 16 - 29, 2023**

**Attention residents!!!**

**Our Annual Chlorine Disinfection will take place from October 16 - 29, 2023. If you observe crews opening hydrants, they are safely discharging chlorinated water. You might notice an odor in your water during this period, which is related to the disinfection process.**
