Notes

- The percentage column reflects either YTD Revenue as a percentage of the Annual Budgeted Revenue for each account, or the YTD Expenditure as a percentage of the Annual Budgeted Expense for each account.
- The Over/Under column reflects the YTD difference in the Annual Budgeted amount versus the actual YTD revenue or the YTD expenditure. A negative amount would indicate an amount below the Annual Budget and a positive amount indicates that line-item is over the Annual Budget.
- All numbers highlighted in yellow are computed based on information in the accounts. These numbers will be developed by Accounting at the end of the year, but are computed for this report to demonstrate a balance between revenues and expenditures. Categories include:
  - Interfund Transfers
  - Use Of / Addition to Fund Balance
  - Enterprise Principal Payments
- In an effort to streamline our accounting process, the use of “Salaries – Executive” will no longer be utilized therefore, all Salaries will now be entered into account “Salaries – Regular”. The finalization of this process will be addressed in FY 24 Budget Amendment #2.
- FY24 Fund Balances are predicated on the FY22 audit and estimates of FY23 results.
